

Hokkaido Ski Holiday

January 11th - 20th, 2025

Come ski the heart of Hokkaido. Spend 9 action-filled days skiing a variety of ski resorts from grand to local. We will be basing ourselves in a centrally located lodge where you may choose from a variety of ski resorts, large and small, and return each night to your cozy log-style accommodations tucked away in the quiet forest near the quaint mountain town of Minami Furano. Did we mention the French restaurant they have?

Your hosts have lived and worked in and around Minami Furano for years and know the local language, the best hot springs, restaurants and local attractions. This is not only a ski vacation, it's a Japanese winter experience.

Our goal is to chase the snow each day. We will be seeking out natural hot springs and great local food and activities when we are not skiing. Resorts will range from multi-mountain major destinations to two-lift “one horse town” local hills. There will be two 11-Passenger Vans dedicated to the group of 12 skiers, so possibilities abound.

Your Leaders:

Phil Freeman - Phil spent two years living and working in Minami Furano as an English teacher. He has skied extensively throughout Hokkaido. Not only does he speak Japanese, but he has criss-crossed Hokkaido leading motorcycle tours there for over 20 years.

Chie Okamoto - Chie was born and raised on Honshu Island and speaks fluent English. She has worked for many years in Hokkaido with tour programs, and is excited to make sure you not only have a great ski vacation, but that you get to experience Japan beyond the normal casual observer.
